It is reported that before the Sunkey & the boundary between Punganur and Mysore State has made, the Temple in question has situated in the Mysore State but after the Sunkey the Temple is shown to lie in the Punganur Zamindari. The M.C states that since the Institution has passed out of Mysore jurisdiction, it has to be treated as defunct and the case deals with under the G.O. dated 1st March 1929.

A draft G.O. [illegible] to the M.C is enclosed.

The recommendation of the M.C. may be sanctioned in the case explained. Draft for [illegible]

To

K. V. Anantaraman, Esq., B.A.,
Chief *Secretary to the Government of His Highness*
the Maharaja of Mysore,
Bangalore.

SIR,

Disposal of inam lands endowed to Sri Valeswaradevaru Temple in Srinivasapur Taluk.

I have the honor to forward herewith copy of letter No.A2-C.2765 of 34-35 dated 16-4-1935 from the Deputy Commissioner, Kolar District together with the file of correspondence on the above subject.

2. The Deputy Commissioner's letter explains the facts of the case. The statements made by Somappa that he worships the Utsava Murti etc. is disproved by the Amildar (vide his report dated 1-2-1935 enclosed in the records).

3. As the institution has passed out of Mysore jurisdiction, the institution has to be treated as defunct and the case dealt with under G.O.No.1769-72/Muz.49-28-2 dated 1st March 1929. I recommend therefore that the inam lands may be ordered to be resumed to Government and leased out for a period of 5 years at a time, the proceeds being credited to General Muzrai Fund till the inams are otherwise disposed of.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.A2-C.2765/34-35 dated 16-4-35 from the Deputy Commissioner, lar District, to the Muzrai Commissioner in Mysore.

Subject.- Disposal of inam lands endowed to/Sri Bettadavaleswaradevaru the temple - Srinivasapur Taluk.

I have the honor to forward herewith the file of correspondence ending with the Kolar Sub Division Officer's Memo No.R1-Muz.C.1687/34-35 dated 26-3 35 re. the above and to state as follows:-

2. Before the survey of the boundary between Punganur and Mysore State was made, the abovenamed temple was situated in Mysore State but after the survey, the temple is shown to lie in the Punganur Zamindari. Since then, the worship is being done by the archak of Punganur but the inam lands endowed to the temple (36 acres Flag X) continue to be in the enjoyment of the son-in-law of the previous archak. There was one Valappa of Vajalapalli, who installed an Eswara image and built a temple in Somayajalapalli of Srinivasapur Taluk. The son-in-law and relations of the ex-archak of Bettadavaleswaradevaru temple have now been doing worship to the private temple (Eswara) and continue to be in the enjoyment of the inam lands of the former temple which is now in the Punganur limits. I therefore recommend that the inam tenure of the lands be extinguished since the temple is no longer in Mysore State.
